SUBJECT: Underground Storage Tank (UST) Closure - North Bridge Street BP, 666 N.  
Bridge Street, Elkin, Surry County

Dear Mr. Hall:

On March 8, 1996 and August 25, 1997, we received the soil sample results and closure assessment from the underground storage tank closure at the subject location. As the implementing agency for the Federal Underground Storage Tank Program for the State of North Carolina, we have determined after careful review of your assessment that the UST system has been closed in accordance with NCAC Title 15A Subchapter 2N Sections .0802 and .0803. However, this does not absolve you of any responsibility for contamination that may not have been detected or noted during the site assessment.

If you have any questions, please feel free to contact Thomas Moore at the letterhead address and/or telephone number.

Sincerely,

Sherri V. Knight  
Supervisor
